**Questions & Answers**

We need to ensure the Child Guarantee is implemented!

We need to listen to children!

Do we need to re-think e-schooling?

...we must not have a digital divide!

We must monitor the implementation!

We need an action plan!

We will work on how this & the Child Guarantee will help!

Poll:

What priorities come to mind when you think about the application of the Child Guarantee in your country?

...it has to change things on the ground!

In Italy, due to Coronavirus...

...another million families will fall below the poverty line.
