Best interest of the child

Latvian comments:  
Riga municipality, SOS Children Village Association, University of Latvia
Institutional background

- Family-oriented Social Services
- Best interest of the child-oriented Orphan Courts

Plus

- National drive to de-institutionalization
- Shortage of municipal resources
Time

- For collaboration in solving cases and mutual recognition;
- For changing organizational work principles: space for reflection, values, ethics
- For actual recognition, practice and learning through experience
- For work with community
Thank note
